

Hockey, the cool sport.

The students of Allendale High School are all excited for this year's varsity hockey season!

This year Allendale students will team up with Zeeland and Jenison high schools for hockey. This co-op used to be with Hudsonville high school, but the contract ended and a new one needed to be made. Jenison was the perfect fit. They are close by, and they needed more players for a complete team, so Allendale decided to team up with them for the next five years.

One of the players on the hockey team is sophomore Braydon Eddy. He thinks, “The hockey team will have a great season. We should be pretty good.” Some other players from Allendale that are planning on trying out for the team include Kellen Kennedy, Alex Palesek, Avery Ruch, Avery Olenzuk, and Gavin Stanfield.

Practices are on Tuesday and Thursday nights every week. Games will start this winter, and will be played at *Griff's Georgetown Ice Arena*. Watching a hockey game is exciting, so make sure you come out and support your classmates on the ice, eh!
